Re: Gravity Sewer System Operations and Maintenance Program
City of Memphis, Tennessee Consent Decree
Civil Action No.: 2:10-cv-02083-SHM-dkv

Dear Mr. Allen:

The U.S. Environmental Protection Agency Region 4 has consulted with the Tennessee Department of Environment and Conservation upon reviewing the revised Gravity Sewer System Operations and Maintenance Program (GSSOMP) pursuant to Section V, Paragraph 10.d. of the Consent Decree noted above. The revised GSSOMP was submitted on February 25, 2015 by the City of Memphis (Memphis) after Memphis received verbal comments during our July 17, 2017 meeting in Nashville. The EPA hereby approves the revised GSSOMP.

Memphis shall submit all related documents to the Public Document Repository as outlined in Section VI of the Consent Decree. If you should have any questions regarding this approval, please contact Mr. Brad Ammons at (404) 562-9769 or via email at ammons.brad@epa.gov.

Sincerely,
