**RE: Consent Decree for City of Memphis WCTS
Civil Action No. 2:10-cv-02083-SHM-dvk
Lift Station & Force Main O&M Program
Gravity Sewer System O&M Program
Continuing Sewer Assessment Program**

Dr. Dudley and Mr. Ammons,

Enclosed please find a copy of the Lift Station and Force Main Operations and Maintenance Program, the Gravity Sewer System Operations and Maintenance Program, and the Continuing Sewer Assessment Program for EPA and TDEC review and comment pursuant to paragraphs 10(c), (d) and (f), respectively, of the above referenced consent decree. As previously agreed, the copies for Dr. Dudley are provided on a disc and paper copies are provided for Mr. Ammons. All three of these documents were included in the City's Public Document Repository and available for inspection and comment by the public for thirty days. The City did not receive any comments on the documents.

Please let us know if you have any comments and whether you would like to schedule a conference call to discuss these programs. We look forward to moving ahead with the project. Also, the City submitted an Inter-Jurisdictional Agreement Program to EPA and TDEC on March 18, 2013. Can you provide an update on your respective agency's review of this document?

Sandra Dudley
