Civil Action No.: 2:10-cv-02083-SHM-dkv

Dear Mr. Allen:

The U.S. Environmental Protection Agency Region 4 has consulted with the Tennessee Department of Environment and Conservation (TDEC) upon reviewing the Revised Lift Station and Force Main Operations and Maintenance Program (LSFMOMP) pursuant to Section VI of the Consent Decree noted above. The original LSFMOMP was submitted on September 16, 2013. In response to the EPA and the TDEC comments, a revised version was submitted on April 8, 2015 by the City of Memphis (Memphis). The EPA and the TDEC hereby approves the revised LSFMOMP submittal from Memphis pursuant to Paragraphs 16, 17 and 18 of the above Consent Decree (CD).

If you should have any questions regarding the above comments, please contact Mr. Brad Ammons at (404) 562-9769 or via email at [ammons.brad@epa.gov](mailto:ammons.brad@epa.gov).

Sincerely,
