Suncoast Infrastructure will perform 31% of the work, subcontracting out 69% to Cambridge Construction Management.

Subsequent due diligence has been conducted on Suncoast Infrastructure bid documents, and their bid has been found to be responsive, in order, and compliant with the project's terms and conditions.

It is therefore our recommendation that this contract be awarded to Suncoast Infrastructure. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with Suncoast Infrastructure in the meantime, and upon the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.
