

Notice of Intent to Award

To: Scott Morgan / Christopher Morrical (City of Memphis)
From: Bently Green / Sean Terrell (Black & Veatch / Overland Construction Inc.)
Date: April 26, 2022
Project: Lift Station Rehab Construction Group 2
Project No.: 410528.71.0417
City Contract: 30361

In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above-referenced project at the SARP10 office on Thursday, March 17, 2022. One construction firm submitted a bid for this project. The results of the bid were as follows:

1. W&T Contracting Corporation	\$4,208,131.10
--------------------------------	----------------

Note that all firms were pre-qualified and approved to compete for this work.

W & T Contracting is an MBE firm and proposes to perform 30% of the work, exceeding the project MBE goal of 20% established for this project.

Subsequent due diligence has been conducted on W & T Contracting's bid documents, and their bid has been found to be responsive, in order, and compliant with the project's terms and conditions.

It is therefore our recommendation that this contract be awarded to W & T Contracting. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with W & T Contracting in the meantime, and upon the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,

A handwritten signature in black ink that reads 'Bently C. Green'.

Bently C. Green, P.E.
Program Manager
