

**Request for Statement of Qualifications
General Engineering & Field Services Addendum No. 2 to
RFSOQ No. 195803.78.0064
October 10, 2017**

The following information encompasses Addendum No. 2 for the above referenced RFSOQ. Bidders shall fully consider and acknowledge this Addendum in the preparation and submittal of its formal Statement of Qualifications. Failure to do so may result in the rejection of the SOQ.

Section 1 – Additional Bidder Questions received to date, and updated Sign-In Sheet

All other conditions and requirements remain unchanged.

**Section 1
Additional Bidder Questions received to date, and updated Sign-In Sheet**

Q1: The sign in sheet posted to the website for Addendum 1 lists the project information meeting as mandatory. Is this correct?

SARP10: No. The project information meeting was not mandatory. We have included a corrected sign in sheet to this addendum.

Q2: The SARP10 has a 30% M/WBE goal. If the Prime is a certified M/WBE with the City, does the Prime's certification count towards this goal? Or is the Prime still required to meet the 30% goal by utilizing additional M/WBE firm(s)?

SARP10: If the prime is a certified M/WBE with the City, then that will count towards the SARP10 M/WBE goal.
