

**Request for Bid
Lift Station Rehab Construction Group 1 Addendum No. 2 to
RFB No. 403200.71.0380
March 17, 2020**

The following information encompasses Addendum No. 2 for the above referenced RFB. Bidders shall fully consider and acknowledge this Addendum in the preparation and submittal of its formal Bid. Failure to do so may result in the rejection of the Bid.

Section 1 – Additional Bidder Questions Received to Date

Section 2 – 00170.1 Introduction

All other conditions and requirements remain unchanged.

**Section 1
Additional Bidder Questions Received to Date**

Q1: Do you have a list of SARP10 pre-qualified subcontractors?

SARP10: No. If you are referring to contractors who could potentially sub to the bidding contractor, SARP10 refers to this level of subcontractor a “Tier 2” Contractor. The qualification process for Tier 2 Contractors is not as rigorous as for the bidding contractor (Tier 1 Contractor). The qualification for Tier 2 Contractors is based only on the safety record of the company in question. Tier 2 Contractors are not required to be qualified prior to the bid opening, only prior to the execution of the construction contract.

Q2: CTR Coatings requests that OBIC 1000 be accepted as an equal product for the wetwell coatings.

SARP10: This product is approved for use on this project.
