In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above referenced project at City Hall on May 16, 2019. Three construction contractors submitted bids for this project. The bid results were as follows:

Magnolia Underground proposes a MWBE participation of 20%, listed below. This exceeds the project goal established for this project of 15%.

1. W&T Contracting Corporation
2. Brighter Days & Nites

Subsequent due diligence has been conducted on Magnolia's bid documents. Magnolia's bid has been found to be responsive, in order, and compliant with the projects scope of work and terms and conditions.

It is therefore our recommendation that this contract be awarded to Magnolia Underground. If you concur with the Program Teams recommendation, please confirm the City's approval.

In the meantime, the Program Team will start tentative negotiations with Magnolia. Upon the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,
