

## Notice of Intent to Award

To: Scott Morgan / Bobby Allen (City of Memphis)  
From: Bently Green / Mike High (Black & Veatch / Overland Construction Inc.)  
Date: April 7, 2020  
Project: Lift Station Rehab Construction Group 1  
Project No.: 403200.71.0380  
City Contract: 30361

In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above-referenced project at the SARP10 Office on Tuesday, March 31, 2020. Two construction firms submitted bids for this project. The results of the bids were as follows:

- |  |                           |
|--|---------------------------|
| 1. Magnolia Underground Construction, Inc. | \$847,025.00 (low bidder) |
| 2. W&T Contracting Corporation             | \$940,715.00              |

Note that all firms were pre-qualified and approved to compete for this work.

Magnolia Underground proposes an MBE participation of 18% and a WBE participation of 4%, exceeding the project goals established for this project of 16% and 3%, respectively.

Subsequent due diligence has been conducted on Magnolia Underground's bid documents, and their bid has been found to be responsive, in order, and compliant with the project terms and conditions.

It is therefore our recommendation that this contract be awarded to Magnolia Underground. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with Magnolia Underground in the meantime, and upon the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,

Bently C. Green, P.E.  
Program Manager
