

**Legal Notice  
Request for Bid  
For  
SARP10 Program**

**RFB No. 179821.71.0407 Manhole Adjustments**

Black & Veatch and Overland Contracting (a subsidiary of Black & Veatch), as the Program Manager and Construction Manager for the Sewer Assessment and Rehabilitation (SARP10) Program on behalf of the City of Memphis, is soliciting Request for Bid (RFB) for the Manhole Adjustments scope of Work.

Beginning on June 3, 2014, the documents comprising the RFB may be obtained from Overland Contracting Inc., Attn: Bently Green, 3485 Poplar Avenue, Suite 230, Memphis, TN 38111 during the hours of 8:30 AM-4:00 PM Monday through Friday. This information is also available on the City of Memphis website:

<http://www.memphistn.gov/Government/PublicWorks/UpcomingProjects.aspx>

The scope of Work for this proposal involves adjusting manhole covers to the existing ground level so they can be accessed from above. In most cases these manhole covers have been paved over with asphalt or concrete. The Work includes saw cutting the existing paving, excavating the pavement, roadway base and soil down to a maximum of 18" in depth. If the adjustment height is 5" or less, the manhole riser can be adjusted with metal adjustment rings. If the adjustment is between 5" and 18" then adjustment materials such as brick and/or concrete must be placed under the frame to bring the cover to grade. Some of the ancillary work includes pavement removal and replacement, sidewalk removal and replacement and curb and gutter removal and replacement.

The Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) Requirements:

**Per Executive Order 11625:**

MBE minimum           **2.6%**

WBE minimum           **2.6%**

**Per Executive Order 11246:**

MBE minimum           **32.3%**

WBE minimum           **6.9%**

**Per the City of Memphis Requirement:**

Overall Combined M/WBE Goal   **50%**

Please note there is a local contractor preference of 5% per City of Memphis requirements. For evaluation purposes the 5% will be applied to the Total Estimated Unit Price Value.

Beginning on June 3, 2014, the Registry will be available. Instructions are provided below detailing the Registry.

OCI registration is valid for one year from date of approval and will apply for all related construction contracts under the SARP10 Program.

Firms must electronically submit the following registration information as soon as possible, but no later than June 16, 2014. If the Firm is currently prequalified with OCI the Firm is not obligated to reapply.

- Successful completion of Black & Veatch's Supplier/Subcontractor Registry process
  - First step is to register at the following web address and reference "SARP10 Program" in the Products, Services, Location (s) field  
Web Address: <http://bv.com/home/capabilities/service/Procurement> Then select Supplier and Subcontractor Registration on the left hand side of the screen.
  - During the second step, a Black & Veatch Sourcing Specialist will send a separate email requesting the following information for review and approval by OCI:

#### **Financial Information**

- Firm's Dunn & Bradstreet number and the Annual Financial Report for the last two years. Note Black & Veatch will require a D&B rating of a Financial Stress Score and Commercial Credit Class Score both at a 3 or above and 20% of sales must be greater to or equal to the potential contract value. If either of these criteria are not met, further financial review will be required. Please also include bonding capacity letter for review.

#### **Safety Requirements**

- Written safety, health and accident prevention policy.
- Full time Safety and Health Manager. If yes, provide resume.
- Documented safety, health, and accident prevention program/system.
- Documented safety and health training program.
- Documented drug & alcohol free workplace program that includes pre-employment testing, post accident testing, for cause testing, random testing, and if program includes all employees.
- The Firm's present Experience Modification Rate (EMR), expected to be less than 1.0.
- The Firm's EMR rate for the prior two years, expected to be less than 1.0.
- A copy of the last three years OSHA 300 and 300A logs, the recordable injury rate is expected to be 3.5% or less and the days away rate is less than 1.2%.
- Details of any federal or state plan OSHA citations received in the past 3 years.

#### **Quality**

- Written quality assurance policy, and provide an uncontrolled copy.
- Full time QA Manager resume.

#### **Profile & Capabilities**

- Number of years in business
- Corporate headquarters address
- Address of the local office where work on this project will be performed
- Copy of Tennessee certifications pertinent to type of work
- Copy of Tennessee licenses pertinent to the type of work
- Total number of employees overall and in the local office

- Breakdown of the number of employees by job classification. For example, list number of project managers, superintendents, trades, estimators, field people, clerical, etc., overall and in the local office.
- To the extent possible, provide names and addresses of any subcontractors that are contemplated for the project, and the services they will provide.
- Brief description of all litigation and outcome(s) during the last three years, plus any pending litigation.

**Project Staffing**

- Resumes for key staff.

**Experience of the Firm**

- List at least 5 recent similar projects completed by the firm of at least \$50,000 or more.
- Detail how the firm has managed and partnered with DBE/MBE/WBE/SBE companies on other projects with similar scope and magnitude.
- Identify the specific year(s) projects were completed; owner name; owner contact person, telephone number and email address; brief project description, project size; project location; project completion date; initial and final contract price. List all local projects first.

**Experience of the Project Manager(s)**

- List at least 2 similar recent projects completed by the Project Manager and Project Superintendent of at least \$50,000 or more for project construction.
- List the specific year(s) projects were completed; owner name; owner contact person, telephone number and email address; brief project description, project size; project location; project completion date; initial and final contract price. List all local projects first.

**Licenses**

- The Firm must be properly certified by the Tennessee Secretary of State to do business in Tennessee. Provide a copy of certification for proper incorporation from the Tennessee Secretary of State. State if company is a corporation, joint venture, or partnership.
- The Firm must be properly licensed at the time of submission. Provide copy of current Tennessee General Contractor license.

No bids will be accepted from any Firm who has not successfully completed the registration process and met the minimal qualification standard ratings as defined above.

#### **DAVIS-BACON ACT REQUIREMENTS**

This project is being funded by a State Revolving Fund loan from FY 2010 (or later) EPA Capitalization Grant Funds. The loan recipient must be in compliance with all applicable Davis-Bacon Act requirements.

#### **DISADVANTAGED BUSINESS ENTERPRISES (DBE) REQUIREMENTS**

Any contract or contracts awarded by the Owner through this invitation for bids will be funded by a State Revolving Fund (SRF) loan from the State of Tennessee. State and Federal funds will be involved in this project, and, as a result, Bidders must comply with the SRF Loan Program's Disadvantaged Business Enterprises (DBE) requirements including contacting a minimum of 10 qualified DBE sub-contractors, professional service providers, vendors, and/or suppliers by certified mail to solicit bids. The apparent successful Bidder must submit to the Owner copies of the certified letters and return receipts prior to contract award. Neither the State of Tennessee nor any of its departments, agencies, or employees is or will be a party to this Invitation for Bids or any resulting contract(s) awarded by the Owner.

OCI is an affirmative action employer. Accordingly, the parties hereby incorporate by reference the requirements of Executive Order 11246, as amended, and the applicable regulations contained in 41 C.F.R. Parts 60-1 through 60-60; 29 U.S.C. Section 793 and the applicable regulations contained in 41 C.F.R. Part 60-741; 38 U.S.C. Section 4212 and the applicable regulations contained in 41 C.F.R. Part 60-250 and/or 60-300; and 29 C.F.R. Part 471, Appendix A to Subpart A.
