

STILES VORTEX AND OUTFALL PIPE PROJECT

DESIGN/BUILD TECHNICAL PACKAGE

Design Build Technical Package

Program Clarification Announcement

Clarification on Contractor Performance Criteria:

Be advised that the City of Memphis does not have specific performance criteria for the above-referenced project that the selected design-build team will be required to meet with respect to foam reduction. The contractor will be expected to complete the project in accordance with the conceptual design outlined in the Design-Build Technical package. The contractor will not be asked to assume performance risks associated with the conceptual design.
