

Notice of Intent to Award

To: Paul Patterson / Bobby Allen (City of Memphis)
From: Bently Green / Mike High (Black & Veatch / Overland Construction Inc.)
Date: July 17, 2017
Project: John's Creek Interceptor CIPP
Project No.: 196182.71.0395
City Contract: 30361

In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above-referenced project at City Hall on Tuesday, July 11, 2017. Two construction firms submitted bids for this project. The results of the bids were as follows:

- | | |
|---------------------------------|-----------------------------|
| 1. SAK Construction, LLC | \$1,082,450.00 (low bidder) |
| 2. Insituform Technologies, LLC | \$1,293,620.00 |

Note that all firms were pre-qualified and approved to compete for this work.

SAK Construction proposes a M/WBE participation of 32%, exceeding the project goal established for this project of 15%.

Subsequent due diligence has been conducted on SAK Construction's bid documents, and their bid has been found to be responsive, in order, and compliant with the projects terms and conditions.

It is therefore our recommendation that this contract be awarded to SAK Construction. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with SAK Construction in the meantime, and upon the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,

Bently C. Green, P.E.
Program Manager
