

Notice of Intent to Award

To: Paul Patterson / Bobby Allen (City of Memphis)
From: Bently Green / Mike High (Black & Veatch / Overland Construction Inc.)
Date: February 24, 2015
Project: SARP10 Program
Project No.: 179821.71.0412
City Contract: 30361

In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above-referenced project at City Hall through Friday, February 20, 2015. Two construction firms submitted bids for this project. The results of the bids were as follows:

- | | |
|--|-----------------------------|
| 1. Magnolia Underground Construction, Inc. | \$1,499,880.00 (low bidder) |
| 2. W&T Contracting | \$1,7644,382.00 |

Note that both firms were pre-qualified and approved to compete for this work.

Magnolia Underground proposes a M/WBE participation of 16.7%, exceeding the project goal established for this project of 15%.

Subsequent due diligence has been conducted on Magnolia Underground's bid documents, and their bid has been found to be responsive, in order, and compliant with the projects terms and conditions.

It is therefore our recommendation that this contract be awarded to Magnolia Underground. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with Magnolia Underground in the meantime, and upon the expiration of the bid protest period (10 calendar days following the posting of the Bid Tabulation on the City's website), and the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,

Bently C. Green, P.E.
Program Manager
