

## Notice of Intent to Award

To: Paul Patterson / Bobby Allen (City of Memphis)  
From: Bently Green / Mike High (Black & Veatch / Overland Construction Inc.)  
Date: October 13, 2015  
Project: SARP10 Program  
Project No.: 179821.71.0413  
City Contract: 30361

In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above-referenced project at City Hall through Wednesday, July 15th, 2015. One construction firm submitted bids for this project as shown below:

1. Video Industrial Services, Inc. \$1,621,013.00 (low bidder)

Note that this firm is pre-qualified and approved to compete for this work.

Video Industrial Services proposes an M/WBE participation of 87%, exceeding the project goal established for this project of 15%.

Subsequent due diligence has been conducted on Video Industrial Service's bid documents, and their bid has been found to be responsive, in order, and compliant with the projects terms and conditions.

It is therefore our recommendation that this contract be awarded to Video Industrial Services. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with Video Industrial Services in the meantime, and upon the expiration of the bid protest period (10 calendar days following the posting of the Bid Tabulation on the City's website), and the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,

Bently C. Green, P.E.  
Program Manager
