From: Bently Green / Charles Mitchell (Black & Veatch / Overland Construction Inc.)
Date: December 5, 2023

Project No.: 416942.71.0376
City Contract: 30361

In conjunction with the City's Consent Decree Sewer Assessment and Rehabilitation Program, bids were received for the above-referenced project at City Hall on Thursday, November 11, 2023. Two construction firms submitted bids for this project. The results of the bids were as follows:

- | | |
|-------------------------|------------------------------------|
| 1. Magnolia Underground | \$3,890,760 (Low Bidder) |
| 2. W&T Contracting | Bid Rejected due to Irregularities |

Magnolia Underground is pre-qualified and approved to complete this work.

Magnolia proposes a MBE participation of 19.7%. This project will have a participation of 19.7%, exceeding the project goal established for this project of 15%.

Subsequent due diligence has been conducted on Magnolia Underground bid documents, and their bid has been found to be responsive, in order, and compliant with the project's terms and conditions.

It is therefore our recommendation that this contract be awarded to Magnolia Underground. If you concur with the Program Team's recommendation, please confirm the City's approval.

The Program Team will start tentative negotiations with Magnolia Underground in the meantime, and upon the City's approval, we will move into formal negotiations to get the contract completed and a Notice to Proceed issued.

Thank you,

Bently C. Green, P.E.
